

Austin Gilbert and Sullivan Society, Inc.  
April, 1977 Newsletter

Perhaps the most important news this month is that the G&S Society is now legally Incorporated, has opened a bank account at Chevy Chase National Bank, and has elected new officers whose terms will expire in September 1977, following the newly-adopted by-laws.

These new officers are:

PRESIDENT:	Phil Smith	837-7495
EXECUTIVE VICE-PRESIDENT:	Bill Buchannan	327-2860
PRODUCTION VICE-PRESIDENT:	John Gaehring	443-1507
PUBLIC RELATIONS:	Rosemary Vines	454-4358
SECRETARY:	Ann Coltman	454-7562
TREASURER:	Sharon Kite	836-0908
HISTORIAN-PARLIAMENTARIAN:	Warren Morris	447-8577

Please contact any of us if you have any questions or suggestions to make.

By-laws were accepted without any problems and the only ammendment made was to add that we are a NON-PROFIT Society. Sorry.

The Executive Board met April 12 to discuss finalising the legal aspects of incorporation and to try and determine the goals and ambitions of the G&S Society. We are hoping for more input from members before proceeding.

John is trying to draw up a Production Schedule for the rest of the year but will need the help of a Production Committee... that means volunteers with ideas.

Our next meeting will be MAY 2 at 7.30 pm at Bill and Jean Buchannan's house: 2009 South Oak Canyon. I hope the map will help simplify directions.

We want to discuss Pirates of Penzance which Zachary Scott is putting on this summer. We also want to discuss John's tentative Production Schedule and get other ideas from members. We need some suggestions about a permanent monthly meeting place - Linalice Carey has offered us the Creek Theatre but just about the only time it is not available is the first Monday of every month....

We would like to discuss committees for Production at least and if any of you would like to volunteer to help the rest of us in our duties you are more than welcome.

Finally after the business meeting we thought it might be fun to listen to your interesting G&S records - foreign or old productions - or anything else pertaining to G&S that is vaguely different.

Rosemary volunteered to bring sausage rolls to sustain us along with Warren's wife Cheryl's cookies.

One final matter that needs to be settled is that of dues. There is a \$5.00 a year due that entitles you to newsletters and helps us keep our account at the bank open. Records so far show that the following people have not paid Sharon yet. However I know that in the confusion prior to incorporating money was paid to Linalice, Steve and Madeline. If our records are not correct please let Sharon or me know.
