

AUS IN KILBECK AND SULLIVAN SOCIETY, INC. *(r)*

JUNE 1977 NEWSLETTER

The June 6 meeting was the first in our new permanent base - Kleyberg Hall in St. George's Episcopal Church. All future meetings will be at the Church.

At the last meeting Bill Buchanan discussed doing G&S in the Balcony Theatre of Center Stage. It seems than Ken Johnson is willing to do this on a percentage basis. Bill has received the documents of incorporation so we are now finally incorporated.

Warren Morris brought up the subject of affiliating ourselves with the G&S Society in Britain. The motion was carried. Apparently each member pays \$1.00 (due in March 1978) and the deed is done.

Sue Ricket Caldwell is handling the group trip to Houston to see Mikado July 22 and 23. See her if you are interested in going and she does not already have your name.

Plans were discussed for doing a concert version of Sorcerer, with excerpts from other G&S shows, in mid-November of this year. See John Gaehring if you are interested.

MEET AND NEEDED FOR PIRATES. The cast calls for 8 basses and 8 tenors and currently John needs about 7 or 8 men still - basses or tenors. Please contact him (404-21507) or Zachary Scott if you are interested or if you know of anyone else who might be. Blocking begins July 6 and performances are from August 12 - 28.

From all that I hear a lot of us missed Warren's very interesting G&S trivia and background information. If you are interested in historical aspects of Pirates, contact Warren who is involved in program notes for the show.

The next meeting will be TUESDAY JULY 5 at Kleyburg Hall in St. George's - 4501 North Interregional Hwy. The business meeting will start at 7:30 with refreshments afterwards. Again we did not arrange for any specific people to bring munchies so everyone bring somethin' if you plan on eating anything.
