## • About the Cast •

Note from the Producer, Robert Mellin

Individuals cast as principals in *The Gondoliers* represent talented performers from the whole spectrum of the Austin community. There are the well-known Austin theater people such as Mary Alice Carnes, Frank Delvy and Stacey Amorous. Austin Lyric Opera is represented by Michael Lucus, Anna Derdeyn, and Michael McKelvey. From the UT School of Music come Amy Baker, Jeffrey Jones, Marty Schwebel, and Music Director Richard Short. And from the Drama Department come Stage Director Matt Buchanan and Stage Manager Tayneshia Jefferson. Matt Kaplan is in the Aero Space Engineering Department.

Of course, some of these people belong to more than one group. There are eight Gilbert & Sullivan Society members in the cast: Frank Delvy, Sheila Glenn, Bill Hatcher, Janette Jones, Matt Kaplan, Diana McAlpin, Dan Smith, and Susan Weed. Many in the show sing in church and other choruses about town. The one common factor is that all like to sing and perform and are very talented.

## • News of Members •

• Elena Hinderer invites us all to her wedding on December 31, to Dan Mouritsen. Congratulations and Best Wishes!

• Stanton A. Taylor of the Gilbert & Sullivan Society in Shreveport, LA, sends a beautiful card. It is a composite in color, of key scenes from the G&S operas - delightful. He also sends a contribution - Thank you!
