

About Gilbert & Sullivan

The Gilbert & Sullivan comic operas were composed between 1871 and 1896 in Victorian London. Their sparkling musical scores by Sir Arthur Sullivan and their dazzling lyrics by Sir William S. Gilbert have kept them popular throughout the English-speaking world ever since. They've been called the "Saturday Night Live" of their day for their satiric appeal, but they have proven universal and timeless in their comic and ironic treatment of human foibles through their "airy persiflage" and "innocent merriment." And the popular appeal of the music has endeared them to millions who cherish "laughing song and merry dance." They are arguably the most popular "musical comedies" ever written for the stage.

Our Mission

The Gilbert and Sullivan Society of Austin was founded with the purpose of educating the public and preserving the works of Gilbert and Sullivan. Formed in 1976, the group entertains and educates thousands of Central Texas residents every year.
